Specialty Workshop, Special Event & Celebration Admission Policy

Imagine That is proud to present these very special events and workshops to our loyal guests & friends. Please note that Imagine That does not accept coupons, free friend play days or library passes towards the admission of these events. Weekly workshops are exempt from this unless otherwise stated. Thank you.

Weekly Workshops

Weekly workshops do not require pre-registration unless otherwise stated. For a full and detailed list of workshops and times please visit www.imajinethat.com/events.html.

Peep and the Big Wide World Science Imajinators

In partnership with WGBH, we have created the Peep and the Big Wide World Science Imajinators! Come explore everyday science concepts in a new and FUN way! Your child will love our exciting workshops which include: Bug hunt, Water Explorers, Color Mixers, The Air out There, and Music Makers & Shadow Explorers.

Little Picasso's Art Studio

Let your little Picasso discover their artist within! During this workshop we will guide your child in creating artwork and crafts through step-by-step hands on instruction. Each project is designed to encourage your child to find their own unique artistic voice! Let's create together!

Look, Listen & Touch

Look, Listen & Touch! is an unbelievably fun and explorative sensory workshop. In each themed workshop, children will explore items through all senses and hands on learning.

Messy Time Art Activity

Let's get messy! Please have your child dress appropriately for this very fun and very messy activity time. Though we always have smocks on hand, let's be honest kids just want to get dirty. We promise you'll have the most creative refrigerator art around!

Between the Lions Story and Activity Time

Between the Lions is an award-winning PBS television series that premiered in April 2000. It's designed to foster the literacy skills of its viewers, while playfully demonstrating the joys of reading. Story and Activity time will mirror themes explored in the television series, and will introduce reading and rhyming concepts in an imaginative and fun way!

FUNDamentals of Music & Movement

We take the children on a learning adventure into the worlds of music and movement. Kids are exposed to music through songs, games and group activities. We then encourage self-expression and creativity through the exploration of dance and yoga (for older children).
